Hampton Court Palace: The Official Illustrated History

May 28th, 2020 - Situated beside the River Thames south west of London, Hampton Court Palace was a centre of court life in England from 1529 to 1737 and remains one of the finest palaces in Europe. The official illustrated history celebrates this intriguing architectural ensemble including the palace’s original sixteenth century building of Henry VIII’s reign.

Customer reviews:

Kensington Palace: The Official Illustrated History

May 13th, 2020 - An extremely nice paperback history book about Kensington Palace. You get the history of the place from its beginnings. There's been something built on the site for about 1000 years but mostly covering the period from the 17th century onwards through today.

Kensington Palace London England

Bibliography recommended by Historic Royal Palaces

The Story of Kensington Palace

May 19th, 2020 - It boasts more than three centuries of continuous royal occupation, making it unique among the historic royal palaces formerly a private house enlarged by Christopher Wren in the late 17th century to suit the needs of William and Mary. Kensington Palace was the favoured home of five sovereigns until the death of George II in 1760.

Kensington Palace London England

May 28th, 2020 - I must admit that I did not read every single word of Kensington Palace. Edward Impey 2003 A few scenes in my WIP are set there so I got this book through Interlibrary Loan in hopes of finding floor plans and images to help me make the setting more vivid.
